

# VHA FORUM: THE AGED CARE REVOLUTION

*While the ageing process takes place over time, aged care reform is advancing at a rapid pace. Organisations must grapple not only with the aged care change agenda but the impacts of legislative changes such as voluntary assisted dying and the National Disability Insurance Scheme.*

Join us, as a range of experts share their knowledge, discuss the impacts for public residential aged care facilities and provide practical advice on how to thrive in this new environment.

## **WELCOME:**

Ms Sharon Knight MP, Parliamentary Secretary for Human Services
