

While these opportunities are designed to support VHA members in the public health sector, they are also open to non-members and will benefit related industries including non-profit, private health and other community-focused sectors.

Health Board Essentials

Delivered in partnership with the [ACHG](#), this program provides the essential skills needed to contribute as a health sector board member.

Modules can be completed individually as a refresher or, ideally, as a complete program.

Lunch and learn series

We work with subject matter experts to deliver topical and timely information on health issues that matter to leaders.

Each is available live and on-demand, supported by a resource kit.

WHO IS THIS FOR? Healthcare leaders and board directors
